

Questionnaire EVS Jugendwerk

1. Why have you decided to do EVS?
2. Is Germany as a country a priority for you? If yes, why?
3. What would be your strengths and weaknesses?
4. Try to describe briefly your family, relationship with friends?
5. Do you have a life motto?
6. Which problems do you think you may encounter while staying for a long period in another country?
7. Have you ever been alone abroad for longer period of time?
8. What knowledge, skills you hope to gain during your voluntary service abroad?

9. Which experiences you bring which could be useful for this EVS project?
Why do you want to join exactly this EVS project?

10. What are your plans after the EVS project, if there are any?

11. How often do you clean your room/house? Have you ever lived in a small community?

12. Do you have to do shopping for groceries and cooking at your home?

13. Can you imagine how is to live in the house with 6 or 7 other volunteers? And could you imagine to share a room with somebody?

14. If you would have to travel every day to your job and work 8 hours shifts would that be problem for you?

15. As you can imagine, our office is sometimes really noisy and chaotic and everybody in the office is really busy. Sometimes the kitchen will be messy, there'll be some material lying around, the plants need watering, the coffee is empty... and you have only 2 weeks left until one Living Culture project where you're mainly responsible for will take place. What do you think, how do you proceed with the arising tasks?
